US 41 Project lane closures for August 12 – August 16

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for August 12 – August 16 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Winnebago County

US 41

Drivers will encounter various lane closures on northbound and southbound US 41 between WIS 76 and Breezewood Lane on Wednesday, August 14 and Thursday, August 15 from 7 p.m. to 5 a.m.

Brown County

US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or unusual incidents (such as weather).

US 41/Scheuring Road

Tuesday, August 13 and Wednesday, August 14 there will be an overnight closure of northbound US 41 underneath the Scheuring Road overpass.

- **Northbound US 41** traffic will be routed onto the northbound off-ramp to Scheuring Road, continuing onto the northbound on-ramp to US 41.

The southbound US 41 off-ramp to Scheuring Road will also be closed at night on Tuesday, August 13 and again Wednesday, August 14.

US 41/Velp Ave.

On Monday, August 12, drivers can anticipate a full closure of the northbound US 41 off-ramp to Velp Avenue from 8 p.m. to 5 a.m.

WIS 29

Drivers can expect a full closure of eastbound WIS 29 between Packerland Drive and US 41 on Wednesday, August 14 from 7 p.m. to 6 a.m. There will also be a full closure of westbound WIS 29 between US 41 and Dousman Street on Wednesday from 7 p.m. to 6 a.m. The following detours will be in place:

- **Eastbound WIS 29** traffic will be detoured at Packerland Drive, take Packerland Drive south to Mason Street, follow Mason Street east to Military Avenue, and take Military Avenue north to WIS 29
- **Westbound WIS 29** traffic will be detoured at Military Avenue, take Military Avenue south to Mason Street, follow Mason Street west to Packerland Drive, and take Packerland Drive north to WIS 29

In addition, the northbound US 41 off-ramp to WIS 29 will be closed overnight on Wednesday, August 14 from 9 p.m. to 6 a.m. The following detour will be in place:

- **Northbound US 41** traffic wanting to exit at WIS 29 will be detoured to exit at Mason Street
- **Eastbound WIS 29** traffic will take Mason Street east to Military Avenue and follow Military Avenue north to eastbound WIS 29
- **Westbound WIS 29** traffic will take Mason Street west to Packerland Drive and follow Packerland Drive north to westbound WIS 29

All lane restrictions and work operations are weather dependent and subject to change.
